Petition of Jas Love for the Opening of A Street ~~throug the Renton Add. and in~~ in front of Lots 11-12-13 & 14 in Block 2 Mountain View

Com. on streets find that no plat has been vacated as claimed in petition but that the Renton add. has been platted to conform to all blocks & streets in properly platted adjoining additions - we therefore recommend that the within be rejected

To the Hon Mayor and Common Council of the City of Seattle

I hereby petition your honorable body to open a street in front of my property as you have allowed the street to be vacated and have since accepted a supplimental plat which leaves twenty three feet of ground between my lots and the street. Which is included in the Renton Addition to the city of Seattle. The discription of my lots is 11-12-13 & 14 in Block two Maurtain View Addition as it is I have no access to any street whatever. For this petition I forever pray

James Lowe
