regarding
Fire Boat

Clerk.

To the Honorable Mayor and Common Council of the City of Seattle :

GENTLEMEN: Your Committee on

~~whom~~ ^{Special Committee to} ~~whom was referred~~ ^{the} ~~Communication of the~~ ^{Mayor relating to the} ~~Construction of a Fire~~ ^{Boat for this City}

beg to report that

we have considered the matter fully and would recommend that the plans for such a boat be secured at once and contract for the construction be let at the earliest possible moment. Such plans can be secured at a cost of $3\frac{1}{2}$ per cent on the cost which we estimate to be about \$35,000. These plans would be furnished by a celebrated Naval Architect who has prepared the plans and is supervising the construction of the new Fire Boat for the City of New York.
